

Policy	Environmental Policy	
Document Number:	3738374-VEI	
Revision Date:	07/30/20	<i>Page 1 of 1</i>
Approved by:	President	

**Corporate Purpose:** To improve the quality of life for our customers, associates, stockholders, and our communities.

**Vision:** Shape will lead the way in developing innovative solutions that make our customers' products lighter, safer and more functional.

**Core Values:**

1. Intense passion for Shape's success
2. Treat others with respect, fairness and honesty
3. Team and individual development
4. Personal and peer accountability – discipline

**EMS Scope:**

This EMS applies to all Shape Corp global sites, considering activities as the design, manufacture, and assembly of custom roll-formed, stamped, welded, pultruded, injection molded, and aluminum products and components as well as electro deposition and powder coating of automotive, office furniture and other products as well as to the environmental aspects and possible environmental impacts related to all the manufacturing process and the Legal and other requirements that apply.

**EMS Policy:** Shape Corp. will achieve and demonstrate sound environmental performance and protect the environment by controlling the impact of our activities, products, and services on the environment by:

- Reducing risks;
- Compliance with environmental regulations and other interested parties;
- Pollution prevention; and
- Continuous improvement
